Furthermore, **nothing contained in the manual or any other statements, either verbal or written, concerning policy and procedure constitutes a contract of employment.**

I agree that either Nest & Care or I can terminate our employment relationship at any time, with or without cause and with or without notice, except that where possible due notice will be given by both.

I understand that all records are considered to be the property of Nest & Care and copying them in any way or giving information in them to anyone without Nest & Care's approval is prohibited. Any violation of this policy may result in legal proceedings against me.

**AGREEMENT NOT TO WORK FOR CLIENT OR FORMER CLIENT OF

Should I violate this agreement, and work independently for, or through another agency for Nest & Care's client or former client before this six (6) month period, I agree to pay Nest & Care **a fee equal to 80 percent of my regular monthly salary for the months remaining within this six month period.**

I HAVE READ, UNDERSTAND AND AGREE TO COMPLY WITH THE EMPLOYEE HANDBOOK AND AGREEMENT NOT TO WORK FOR CLIENT OR FORMER CLIENT.

INTRODUCTION

This Employee Handbook ("Handbook") compiles Nest & Care's personnel policies, practices, and procedures currently in effect.

The primary reason for this Handbook is to give clear advice to employees and to help employees to become more familiar with our policies, work guidelines, benefits and other issues related to their employment.

This Handbook does not create a contract, neither does it guarantee employees any specific term of employment, nor are employees obligated to continue their employment for a specified period. The purpose of this Handbook is to inform employees of Nest & Care's policies and procedures and to establish work expectations. It is an overview of our present policies and practices and while it does not include every matter that might arise it offers a good summary of Nest & Care's work environment. A violation of any Nest & Care policy can lead to disciplinary action.

SECTION 1

EMPLOYMENT POLICIES AND PRACTICES

1.1 EMPLOYMENT APPLICATIONS

The information contained in the employee's employment application should be accurate along with other documentation presented during the hiring process and employment. Any misrepresented, falsified, or material omissions in the information provided can result in termination of employment or non-consideration for employment.

1.2 EMPLOYMENT RELATIONSHIP

Employees enter employment voluntarily, and employees are free to resign at any time for any reason or no reason. Nest & Care is free to end its relationship with any employee at any time for any reason or no reason.

1.3 EMPLOYEE HANDBOOK

This Handbook does not create any agreement, express or implied, neither does it guarantee employees any specific terms or conditions of employment. Nothing contained in this Handbook guarantees employment for any specified duration, nor does the Handbook obligate employees to continue their employment for a specified period. Unless an employee entered into an employment agreement that supersedes this document, the employee or Nest & Care can end the employment relationship without notice.

1.4 EQUAL EMPLOYMENT OPPORTUNITY

Nest & Care does not discriminate against employees or applicants based on race, color, creed, sex, age, disability, national origin, marriage between co-workers, or veteran status. This policy applies not only to hiring, but also to working conditions, and privileges of employment. Each employee is asked to take responsibility and adhere to Nest & Care policies to ensure we fulfill our equal opportunity employer goals.

1.5 AMERICAN WITH DISABILITY ACT

The Americans with Disabilities Act (ADA) protects qualified applicants and employees with disabilities from discrimination in hiring, promotion, discharge, pay, benefits, job training, and other aspects of employment. Nest & Care is required by law to provide qualified applicants and employees who have disabilities with reasonable accommodations that will not pose an undue hardship for Nest & Care. Any employee needing accommodation for a disability should notify the Supervisor of his/her request.

1.6 CONFIDENTIALITY

Confidentiality of all client and family concerns is required. Information on clients is highly confidential and not discussed with anyone other than the Supervisor. Revealing sensitive information or improperly discussing a client condition is grounds for immediate termination.

1.7 WORK ETHICS

Nest & Care is steadfast in providing the highest standards of ethical and professional conduct. All employees are required to adhere to Nest & Care's policies and procedures and comply with legal and regulatory requirements related to their job function. Any breaches of this policy may be subject to disciplinary action and/or termination.

1.8 PERSONNEL FILES

1.9 EMPLOYEE CLASSIFICATION

- **Regular full-time employees** are required to work at least 32 hours per week.
- **Regular part-time employees** are scheduled to work less than 32 hours per week. Work hours may fluctuate if an employee is asked to cover for other employees or to ensure proper care of all clients.
- **Exempt employees** hold executive, managerial, administrative, and professional jobs. Any employee holding a position that meets specific tests established by the Fair Labor Standards Act will be exempt from overtime pay.

During this period the employee also has an opportunity to evaluate Nest & Care. Employees are advised of their status with Nest & Care after their probationary period.

1.12 ATTENDANCE / TARDINESS

Frequent tardiness is not acceptable and can jeopardize an employee's position with Nest & Care.

Employees are expected to be punctual and regular in attendance at all times. Failing to report to work as assigned and being tardy can pose a problem for the client. If an employee is sick or is going to be late, he/she must call the office immediately at 240-690-9900, and Nest & Care will contact the client. The employee will be responsible for fulfilling their entire shift. However, if the employee is sick, Nest & Care will be responsible for seeking a replacement.

If on arrival the client does not respond to the door or buzzer, the employee must call the office immediately. Employees should never leave until they have first spoken to a Nest & Care Office Staff.

1.13 SICK CALLS/CANCELLED VISITS

If an employee cannot make it to an assigned visit or shift, he/she must **call the office (do not send a text message)** no to ensure the information will be directed to the client promptly. The employee is required to speak directly to a Nest & Care Office Staff and give notice when possible. Employees are not allowed to call the client directly. Late notice is grounds for disciplinary action and possible termination if repeated.

If an employee is out for two (2) days or more, a doctor's note must be provided. Employees are responsible for indicating when they will be able to return to work.

1.14 REPLACEMENT STAFF

Employees should contact the office if their replacement staff is 10 minutes late. Nest & Care will make every effort to locate the replacement. However, the employee must remain with the client until arrangements are made.

4.2 HARASSMENT AND SEXUAL HARASSMENT

Harassment is unwelcomed, unwanted, and uninvited behavior or conduct and violates the law; it creates a work environment that is intimidating, hostile and offensive which can decrease productivity and can have an adverse effect on a working relationship, and tarnish the image of Nest & Care.

Nest & Care does not welcome harassing conduct. We are determined to provide a work environment that does not engage in discrimination and behavior that can be considered harassing, coercive, or disruptive, including sexual harassment. Discrimination based on an individual's legal characteristics, such as age, disability, gender, marriage or civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation will not be tolerated. Employees are to refrain from engaging in verbal or physical conduct that degrades or shows hostility to another individual based on that person's race, creed, color, religion, sex, national origin, marital status, status with regard to public assistance, disability, age, membership on a human rights commission or sexual orientation, or that of the person's relatives, friends or associates.

Sexual harassment is unwelcomed sexual advances, a request for sexual favors, and other verbal or physical harassment of a sexual nature. It is unlawful to harass anyone because of their sex. It makes a person feel offended, humiliated and/or intimidated; such behavior can create a hostile work environment. Sexual harassment includes situations where a person is asked to engage in sexual activity as a condition of that person's employment, as well as situations which create an environment which is hostile, intimidating or humiliating for the recipient. Concerns and reports can be made without fear of retaliation. All allegations of sexual and other unlawful harassment will be investigated quickly and discreetly. Anyone engaging in sexual or other unlawful harassment will be subject to disciplinary action, up to and including termination of employment.

4.3 DRUGS AND ALCOHOL

The Drug and Alcohol policy was created to assist us in providing a safe, comfortable and productive work environment for all employees. We recognize that employees who abuse drugs or alcohol at work—or who appear at work under the influence of illegal drugs or alcohol—can harm both themselves and others in the work environment. Illicit drug use includes more than just illegal drugs such as marijuana, cocaine or heroin. It also consists of the misuse of otherwise legal prescription and over-the-counter drugs.

While on duty or when conducting Nest & Care business, employees are prohibited from using, possessing, distributing, selling or being under the influence of alcohol or illegal drugs. The legal use of prescribed drugs is permitted on the job if it does not impair an employee's ability to perform the essential job functions efficiently and in a safe manner that does not endanger other individuals.

A violation of this policy can lead to disciplinary action, up to and including immediate termination of employment. Such violations may also have legal consequences.

Nest & Care reserves the right to require employees to undergo random drug and alcohol testing to ensure a safe and healthful working environment. Employees may be required to provide body substance samples (such as urine and/or blood) to determine the illicit or illegal use of drugs and alcohol. Refusal to submit to drug testing may result in disciplinary action, up to and including

termination of employment.

4.4 DISABILITY ACCOMMODATIONS

Nest & Care is committed to equal opportunity in all aspects of employment for qualified individuals with a disability in accordance with the Americans with Disabilities Act (ADA) and ensuring equal opportunity in employment for qualified persons with disabilities. We will attempt to provide reasonable accommodations in employment to qualified individuals with disabilities unless the accommodation causes an undue hardship on Nest & Care's operations.

Qualified Persons with Disabilities is an employee or applicant with a disability who can perform the essential job functions in question with or without reasonable accommodations.

They are entitled to equal pay and other forms of compensation (or changes in compensation) as well as in job assignments, classifications, organizational structures, position descriptions, lines of progression and seniority lists. Leave of all types is available to employees on an equal basis.

Nest & Care will not discriminate against any qualified employees or applicants who are related to or associated with a person with a disability. We will follow any state or local law that provides individuals with disabilities greater protection than the ADA.

This policy is neither exhaustive nor exclusive. Nest & Care will take every action necessary to ensure equal employment opportunity for persons with disabilities in accordance with the ADA and all other applicable federal, state, and local laws.

4.5 PERFORMANCE EVALUATIONS

Nest & Care conducts performance evaluations for all employees after the probationary period and at one year of employment, annually, after that. Nest & Care expects a high level of professionalism and accountability from all employees. Therefore, communication between the Supervisor and the employee regarding performance related issues is vital. The performance evaluation allows an opportunity for both the Supervisor and the employee to discuss job tasks, identify and correct weaknesses, encourage and recognize strengths, and address methods for reaching goals.

On an ongoing basis, job performance, attendance records, work attitude, quality of work, work relations with clients and other employees and the willingness and responsiveness to work will determine how pay increases are distributed. The award of such increase is based upon numerous factors, at Nest & Care's discretion.

Performance evaluations are an ongoing communication between the employee and Supervisor to

provide a clear understanding of what is expected in the job; it provides employees an opportunity to communicate any concerns about the future of their job.

4.6 PROGRESSIVE DISCIPLINE

A progressive discipline policy was adopted to identify and address employee-related problems. It is Nest & Care's position to administer fair and consistent discipline for unsatisfactory conduct in the workplace. Nest & Care will attempt to consider all relevant factors before making decisions regarding discipline and develop a process to improve and prevent recurring undesirable employee performance.

If an employee demonstrates unacceptable behavior or has difficulty performing all the duties as assigned, the Supervisor will work with the employee to correct his/her performance or behavior. The Supervisor may provide the employee with additional training and coaching to prevent a recurrence of undesirable behavior to prepare the employee for satisfactory service in the future. We will always ensure disciplinary actions are prompt, uniform and impartial.

The four steps of disciplinary action are: --

- **Verbal Warning** – Used for minor issues to notify an employee that improvement is needed. Verbal warnings should be documented and placed in the employee file for a specified period.
- **Written Warning** – A written warning is more severe than a verbal warning. It provides notice to an employee about continued work performance issues or inappropriate work behavior that has not been resolved after being given a verbal warning. Written warnings are documented and placed in the employee file for a specified period.
- **Suspension** – A suspension follows a verbal or written warning if the desired results have not been accomplished. The term of suspension will depend on the facts of the case. Suspensions are documented and placed in the employee file for a specified period.
- **Termination** – the last step in progressive discipline when an employee does not correct performance and/or behavior or when an employee is involved in a more serious offense that warrants an immediate termination without going through the progressive discipline steps. A termination letter is given to the employee and a copy placed in his/her file.

Nest & Care recognizes there may be circumstances when one or more steps are bypassed, but by using progressive discipline, we hope that most employee problems can be corrected at an early stage, benefiting both the employee and the Company.

NOTE: **Due to the nature of the business, a no call/no show to work will result in immediate termination as an abandonment of your duty and the client and is considered a voluntary quit.

SECTION 5

BENEFITS

5.1 SICK LEAVE

Unpaid sick leave benefits are provided to all regular full-time employees for periods of temporary absence due to illnesses or injuries.

If an employee cannot report to work due to an injury or illness, he/she should notify the Nest & Care Office as quickly as possible, preferably before the scheduled start work day. The employee is also responsible for contacting the office on each day of their absence. Sick leave absences more than two days require a written note from a doctor before the employee return to work. Sick leave is intended solely to provide time off in the event of injury or illness and cannot be used for any other absence.

5.3 WORKERS COMPENSATION

Workers Compensation covers any injury or illness sustained on the job requiring medical treatment. Workers' compensation provides benefits after a short waiting period or if the employee is hospitalized, immediately. A comprehensive workers' compensation insurance program is provided, by Nest & Care, at no cost to the employee.

The office must be informed immediately when an employee sustains a work-related injury or illness on the job. Client and employee safety is a priority; therefore, all work-related injuries are taken seriously. Regardless of how minor the injury may appear to be, to qualify for coverage as quickly as possible, it is crucial that it be reported. All reported injuries are investigated thoroughly.

Nest & Care will not be responsible for paying workers' compensation benefits for injuries incurred when employees voluntarily participate in any off-duty recreational, social, or athletic activity sponsored by Nest & Care.

Disciplinary measures including termination and/or legal action will be taken for any employee who is found to have intentionally misled, perpetrated fraudulent information, or falsely claimed benefits.

SECTION 6

TERMINATION

6.1 EMPLOYMENT TERMINATION

When an employee's relationship with Nest & Care is terminated, voluntarily or involuntarily, Nest & Care will attempt to make this a smooth transition for the departing employee. Examples of circumstances in which employment is terminated are below:

- **Resignation** - voluntary employment termination originated by the employee.
- **Discharge** - involuntary employment termination originated by the company.
- **Layoff** - involuntary employment termination originated by the company for non-disciplinary reasons.
