

# ALZHEIMER'S AWARENESS MONTH

September 2025

## Happy Alzheimer's Awareness Month!

This September, we take the time to honor and support those living with Alzheimer's, their families, and the caregivers who walk this journey with them. Together, let's continue spreading awareness, showing compassion, and building a community of care and understanding.

This September, **Nest & Care** joins communities around the world in recognizing Alzheimer's Awareness Month—a time to raise awareness, share knowledge, and stand in support of families affected by Alzheimer's and other forms of dementia. At **Nest & Care**, we understand the challenges that come with memory loss, not only for those diagnosed but also for their loved ones who provide daily care and support.

Together, let's continue to build a compassionate community where no one faces Alzheimer's alone.

## STAR OF THE MONTH

**Anthony** has consistently shown reliability in his work and a genuine willingness to extend a helping hand whenever needed. His dedication doesn't go unnoticed—not only by our team but also by the family he serves.

**Anthony's** client has shared nothing but words of praise for him, even giving him a special mention for the outstanding care and compassion he provides. His commitment to making a positive difference reflects the heart of what we value most in our caregivers.

We are proud to recognize **Anthony** as our Star of the Month for September!

Thank you, **Anthony**, for your hard work, kindness, and the dependable care you provide every day. You are truly an inspiration to us all!

## OUTSTANDING CAREGIVER

Since the day **Chantal** began working with us, **Chantal** has been consistently reliable, dependable, and dedicated to her clients.

She has been especially helpful when it comes to emergency fill-ins, always ready to lend a helping hand whenever she can. Her flexibility and willingness to step in during crucial moments show her commitment not only to her clients but also to the entire care team.

Aside from celebrating **Nest & Care's** Star of the Month, we are also proud to recognize **Chantal** as our Outstanding Caregiver for September!

## CAREGIVER APPRECIATION

LINUS

SAIDU

NADINE

We would also like to give a special thanks to **Azeb, Linus, Saidu, and Nadine** for their continued dedication and reliability. Since the beginning of their time with their clients, they have consistently shown commitment, compassion, and professionalism.

Their clients have shared nothing but positive feedback, which speaks volumes about the quality of care they provide every day.

**Nest & Care** is truly grateful for their hard work and the difference they make in the lives of those they serve!

## CAREGIVER VISITS

This month, we had the joy of celebrating our caregivers' birthdays and work anniversaries!

These moments are always special, as they give us the chance to honor the dedication and hard work our team brings every day.

Our Care Coordinator, **Sennie**, personally visited **Ferrine** and **Oblinna** to celebrate with them in person. **Meziahile Gulumata** visited the office to receive her gifts and share in the celebration.

## CONGRATULATIONS!

**Nest & Care** is thrilled to share some exciting news—two of our caregivers, **Cecilia** and **Ladon** have been selected as nominees for the National Caregiver of the Year Award by the Home Care Association of America (HCAOA).

This prestigious recognition highlights caregivers from across the country who go above and beyond in providing exceptional care, compassion, and dedication to their clients.

To have not just one, but two of our own team members recognized on a national level is truly an honor!

## CLIENT FEEDBACK

"They do a good job of doing the initial meeting to make sure that they are compatible with the individual. The attention level is very beneficial for my mom, and it then impacts me by giving me peace of mind. Our current provider is the best. She is good at listening, paying attention, providing a bath for my mom."

-B.C.

## CAREGIVER FEEDBACK

"I like that they answer my phone calls. I liked the training because they made sure we knew emergency procedures. They will give me a certificate for doing a good job. The office staff will keep me updated about the medications that my clients have. They consider my ability and location when matching me with a client."
